

## Conference Parking Information

Parking on the Cornell University campus is restricted to permit or payment at all times. Please read the information below carefully to determine the best way for you to purchase parking for your conference:

Advance-Purchase Parking (recommended for guests staying on campus): Select your conference, pay via credit card, and receive a link to a printable parking permit valid for the duration of your stay. Print the parking permit and bring it with you to campus. When you arrive at your specified parking lot, display your printed permit on your dash. Visit <https://cornell.clickandpark.com/event> to purchase parking. **You must have access to a printer to use this option.**

Parking by the Day: If you do not pre-purchase parking, you will need to purchase parking when you arrive on campus. For complete information about daily short-term parking options, including a map, visit <https://ipp.cornell.edu/content/short-term-parking-options>.

- **Parkmobile Pay-by-Cell Parking:** Create a Parkmobile account or download the mobile app at [www.parkmobile.com](http://www.parkmobile.com) or via the App store. Prices range from \$.75 to \$3 an hour, and some lots can be paid by the day for multiple days. Please note: Parkmobile payment options include Paypal and credit cards originating from the US, Canada, and Mexico.
- **Pay Station Parking:** Pay-by-license plate pay stations can be paid by the hour in several locations on campus. Prices range from \$1 to \$3 an hour.
- **Daily Permits:** Stop at an information and parking booth to purchase a one day (\$10) or four hour (\$6) permit, Monday - Friday, 7:30 am - 5 pm. These short-term permits are sold for the current day only, and allow access to various campus lots.

Accessible Parking: Display your printed dashboard or short-term permit in conjunction with your municipal permit when parking in handicap-accessible spaces on campus. Carefully observe signs when parking; some accessible spaces are reserved for specific license plates. If you need assistance, please call 607-255-4600.
